DESCRIPTION:

Statewide Bank REPO Reports provide financial data including tangible assets, net worth, delinquent loans, other real estate owned and the **BAUERFINANCIAL™** star rating on every bank with significant repossessed assets operating in one specific state.

Each Report contains an introductory page that describes the definitions and the methodology we use to assign a bank's star-rating.

All the financial institutions operating in any state are divided into two groups:

- 1) Banks headquartered or chartered in the state noted are in the main body of the report.
- 2) Banks that are headquartered or chartered in **a different state** that also operate in the given state are included at the back of the report. The city and state where they are headquartered is also noted.
