To Banking or Business Editor:

Now Available: BauerFinancial's New Book *Top 100 Banks in Over 100 Categories*

August 2010:

- Which banks have the largest branch networks?
- Which banks in your area have the highest percentage of Commercial Real Estate loans?
- Which banks in your area have the highest Texas Ratios?
- Which U.S. credit unions have the highest volume of business loans?

The answer to these questions and hundreds more are now available to the public in this newly released book: *Top 100 Banks in Over 100 Categories*.

Since 1983, **BAUERFINANCIAL, Inc. Coral Gables, Florida**, the nation's most respected bank rating firm, has been the source that bankers and consumers have trusted when making important banking decisions. For over a quarter of a century BauerFinancial has been providing the public and the banking industry the data they need to choose or promote their financial institution with confidence. Now, we have taken the next step by categorizing the most popular data in this concise, easy to use book.

Top 100 Banks in Over 100 Categories has the answers. To make it even more user - friendly, each book includes a companion CD with all 100+ lists in an Excel® spreadsheet format.
