Report run on 02/02/2010

BauerFinancial's *Hometown Bank Ratings* provide all the information you need to select a bank with confidence. The star-rating assigned by BauerFinancial is based on our analysis of the financial condition of the bank and applies to the entire bank - the main office and all of its branches. In addition to the star-rating for each bank, you'll see the FDIC certificate number (a unique number assigned to each FDIC-insured institution), the city and state where it's headquartered, the main telephone number for the bank, the total number of branches the bank has nationwide and the year it was established. The addresses of the branches in the region you selected are grouped under the heading for each bank. Star ratings are based on September 30, 2009 financial data and supplemental data as available.
